The Perry County, Wayne County, Lewis County and Hickman County Chambers of Commerce announce plans to begin work on the premier edition of *Three Rivers Community Magazine* featuring all four Chambers of Commerce. According to Ms. Vanden Bosche, of the Perry County Chamber, "This publication provides an extremely effective means for marketing our communities to a variety of audiences and is an invaluable tool in attracting and informing newcomers and business prospects of every description. Through this publication, visitors, potential newcomers and investors can get a firsthand glimpse of our beautiful communities, as well as the businesses and services available in our area. *Three Rivers Community Magazine* offers a value-driven advertising opportunity for chamber members and offers a unique opportunity to promote your business services or products to other businesses in our community."

An online version of this publication will be hosted on all four Chambers of Commerce websites. Advertisers will have the opportunity to purchase a hyperlink to their business webpage or business email.

As a multi-award winning publisher and chamber member, SouthComm Publishing Company, Inc. will produce this official publication. Mr. Chris Ferrell, CEO, of SouthComm comments, "We are proud to be the publisher of choice for this important marketing endeavor. We look forward to working with the businesses and leadership of Perry County, Wayne County, Lewis County and Hickman County areas."
